3025 Corner
(298 x 255 cm)

Les chiffres indiquent les dimensions extérieures des cabines et des banquettes.

Les cabines sauna peuvent être montées d'une manière symétriquement inversée.

La couleur bleue indique les panneaux vitrés pouvant remplacer en option les panneaux traditionnels (voir p. 11).

Pour les cabines dont la façade mesure au moins 200 cm, la porte peut être placée au milieu. Demander une étude personnalisée.
